ANDREY BELYAKOV

Junior Software Developer

// SUMMARY

Highly diligent and driven junior software developer pursuing a career in coding with a diploma from the Code Institute. Proficient in HTML, CSS, JavaScript, and Python. I am confident I would make a valuable contribution to any company due to my adherence to a high professional standard.

I excel in team environments as my great interpersonal skills allow me to effectively interact with others due to over 12 years worth of experience working in a customer focused environment. I aim to foster a positive, efficient, and collaborative experience within group settings.
